### TOTAL LOAN ISSUANCE

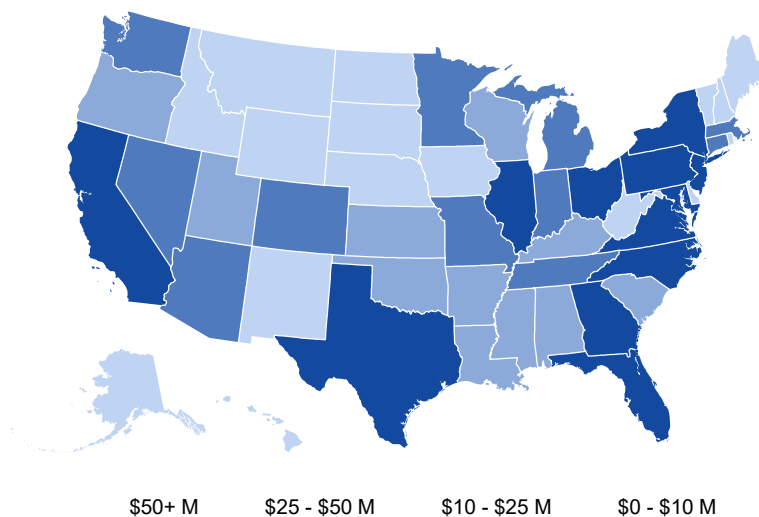

### REPORTED LOAN PURPOSE

60.98% of Lending Club borrowers report using their loans to refinance existing loans or pay off their credit cards as of 03/31/17.<sup>1</sup>

### LOAN ISSUANCE BY STATE

Most recent reported quarter ending 03/31/17

1. Loan purpose describes the reported intent of borrowers from the most recent completed quarter and may not reflect actual usage. Investors should rely on loan grades rather than loan purpose.

**Please note:** 'Public Offering' refers to the performance of loans which were originated utilizing the Lending Club website and met all characteristics necessary for the loan to become a "member loan" assigned to correspond to a "Member Payment Dependent Note" publicly offered to Investors on the Lending Club platform.

For prospective borrowers, you can [apply for a personal loan](#) to get an instant rate quote.

For prospective investors, you can [open an investment account](#) instantly to get started building a portfolio that can earn more than other investments with comparable risk.
